

ARTIGOS PUBLICADOS (2017)

- 1 - Albinism in the striped spear-nosed bat *Gardnerycteris crenulatum* (Chiroptera: Phyllostomidae) with an updated list of albino bats in the World. MAMMALIA
- 2 - An update for cladoceran fauna (Crustacea, Branchiopoda) from Lake Paranoá, Central Brazil, with the first description of a male of *Leydigiopsis ornata* Daday, 1905. NAUPLIUS
- 3 - Anatomia da articulação do ombro de *Sapajus appela*. Revista de Biologia Neotropical
- 4 - Anatomia da articulação do ombro de *Sapajus libidinosus* LINNAEUS, 1758 (Primates, Cebidae) / Anatomy of the shoulder joint of the *Sapajus libidinosus* LINNAEUS, 1758 (Primates, Cebidae). REVISTA DE BIOLOGIA NEOTROPICAL
- 5 - Aspectos físicos e estrutura do componente lenhoso em três campos de murundus no sudoeste goiano. Revista Brasileira de Biociências
- 6 - Barra do Garças (MT): auxílio das geotecnologias na caracterização fisiográfica, uso da terra e cobertura vegetal. ESPAÇO EM REVISTA
- 7 - Biodiversity in Pristine Wetlands of Central Brazil: a Multi-Taxonomic Approach. WETLANDS
- 8 - CANONICAL CORRELATION ANALYSIS TO IDENTIFY THE SEMEN CHARACTERISTICS USED TO FORECAST THE FREEZE SURVIVAL OF CURIMBA (*PROCHILODUS LINEATUS*) SPERMATOOZOA. CRYOLETTERS
- 9 - Climate change, human overkill and the extinction of megafauna: a macroecological approach based on pattern-oriented modeling. Evolutionary Ecology Research
- 10 - Climatic changes can drive the loss of genetic diversity in a Neotropical savanna tree species. GLOBAL CHANGE BIOLOGY
- 11 - Comparative anatomy of the gluteal region muscles of *Sapajus libidinosus*. Pesquisa Veterinária Brasileira
- 12 - Cross-reactivity and inhibition myotoxic effects induced by Bothrops snake venoms using specific polyclonal anti-BnSP7 antibodies. BIOLOGICALS
- 13 - DE VOLTA AO PASSADO: REVISITANDO A HISTÓRIA BIOGEOGRÁFICA DAS FLORESTAS NEOTROPICAIS ÚMIDAS. Oecologia Australis
- 14 - Demographic stability and high historical connectivity explain the diversity of a savanna tree species in the Quaternary. ANNALS OF BOTANY
- 15 - Desenvolvimento do esqueleto do membro torácico de *Podocnemis unifilis*. Revista de Biologia Neotropical
- 16 - Diversidade genética entre populações de guariboeiras no Estado de Goiás. REVISTA CERES.
- 17 - Double renal artery in human cadavers: a case report. Bioscience Journal
- 18 - Evaluating the Effectiveness of Brazilian Protected Areas Under Climate Change. Tropical Conservation Science
- 19 - FERTIRRIGAÇÃO EM TRÊS VARIEDADES DE LARANJA NO SUDOESTE DE MINAS GERAIS. Cultura Agronômica
- 20 - Fossil record improves biodiversity risk assessment under future climate change scenarios. DIVERSITY AND DISTRIBUTIONS
- 21 - Genetic diversity of macaúba fruits from 35 municipalities of the state of Goiás, Brazil. PESQUISA AGROPECUARIA BRASILEIRA
- 22 - Gingivostomatitis and Feline Immunodeficiency Virus. Journal of Dairy and Veterinary Science
- 23 - GREEN SUGARCANE CROP RESIDUE AFFECTS VELVET BEAN SEED GERMINATION. American Open Journal of Agricultural Research
- 24 - Hepatites B, C e Sífilis: Prevalência e características associadas à confecção entre soropositivos. Cogitare Enfermagem
- 25 - Histological and Morphometric Characteristics of the Corneal Layer of Buffalo Hoof Capsules. INTERNATIONAL JOURNAL OF MORPHOLOGY
- 26 - Host-pathogen interactions in bovine mammary epithelial cells and HeLa cells by *Staphylococcus aureus* isolated from subclinical bovine mastitis. JOURNAL OF DAIRY SCIENCE
- 27 - In vitro efficacy of latex and purified papain from *Carica papaya* against *Strongyloides venezuelensis* eggs and larvae. Revista do Instituto de Medicina Tropical de São Paulo
- 28 - Morpho-histological, histochemical, and molecular evidences related to cellular reprogramming during somatic embryogenesis of the model grass *Brachypodium distachyon*. PROTOPLASMA
- 29 - MUSCULAR ANATOMY OF THE FORELIMB OF Iguana iguana iguana (Squamata: Iguanidae). Bioscience Journal
- 30 - Ontogenia dos ossos da cintura peitoral e membros torácicos em embriões de *Podocnemis unifilis* / Bone ontogeny of the pectoral girdle and thoracic members of the *Podocnemis unifilis* embryos. REVISTA DE BIOLOGIA NEOTROPICAL
- 31 - Partial diallel crosses for predicting yield of semiexotic maize populations. GENETICS AND MOLECULAR RESEARCH
- 32 - Predicting the invasive potential of the cladoceran *Daphnia lumholzi* Sars, 1885 (Crustacea: Cladocera: Daphniidae) in the Neotropics: are generalists threatened and relicts protected by their life-history traits?. JOURNAL OF LIMNOLOGY
- 33 - PRODUCTION OF PEPPER CAPSICUM CHINENSE UNDER DIFFERENTS IRRIGATION DEPTHS IN GREENHOUSE. Revista brasileira de agricultura irrigada
- 34 - Propagação de gabiroleiras via estaquia associada ao ácido indolbutírico. BRAZILIAN JOURNAL OF SUSTAINABLE AGRICULTURE
- 35 - RENAL ARTERY DUPLICITY IN HUMAN BODIES: A CASE REPORT. Bioscience Journal
- 36 - Reproductive biology of endemic *Solanum melissarum* Bohs (Solanaceae) and updating of its current geographic distribution as the basis for its conservation in the Brazilian Cerrado. BRAZILIAN JOURNAL OF BIOLOGY
- 37 - Retrospective study of Bovine herpesvirus 5 meningoencephalitis in cattle from São Paulo State, Brazil. ARQUIVO BRASILEIRO DE MEDICINA VETERINARIA E ZOOTECNIA
- 38 - Resposta de híbridos de milho ao uso de piraclostrobina na ausência de doenças. Arquivos do Instituto Biológico (Online)
- 39 - Somatic embryogenesis and de novo shoot organogenesis can be alternatively induced by reactivating pericycle cells in *Lisianthus* (*Eustoma grandiflorum* (Raf.) Shinners) root explants. IVCDB-PLANT
- 40 - Stacked species distribution and macroecological models provide incongruent predictions of species richness for Drosophilidae in the Brazilian savanna. Insect Conservation and Diversity
- 41 - The amazing diversity of the genus *Monospilus* Sars, 1862 (Crustacea: Branchiopoda: Aloninae) in South America. Zootaxa
- 42 - *Thismia panamensis* : first record of Thismiaceae for the Brazilian Cerrado in Goiás state. Check List
- 43 - Two sides of a coin: Effects of climate change on the native and non-native distribution of *Colossoma macropomum* in South America. PLoS One
- 44 - Use of pyraclostrobin on the nitrate assimilation and agronomic traits of the Pérola bean cultivar. CIENTÍFICA
- 45 - ZIP code matters: *Nicsmirmovius paggii* , a new species from *fitzpatricki* -complex (Cladocera: Chydoridae) does not co-occur with *Nicsmirmovius incredibilis* . JOURNAL OF NATURAL HISTORY
